

Registers

Faster  
↓

Why, malloc

vs

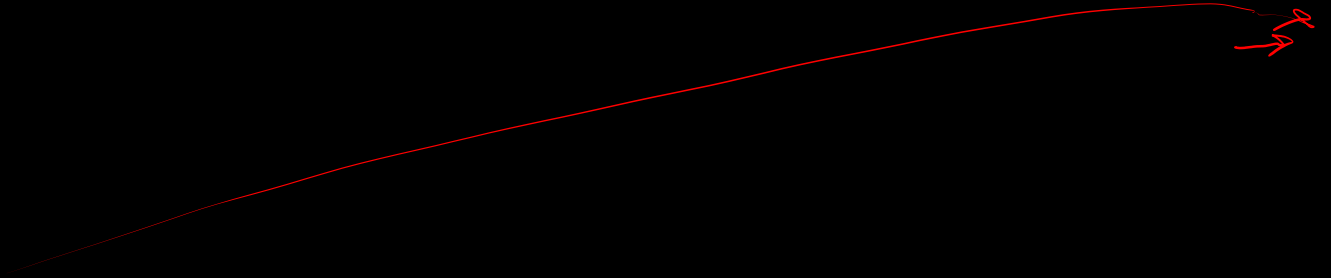

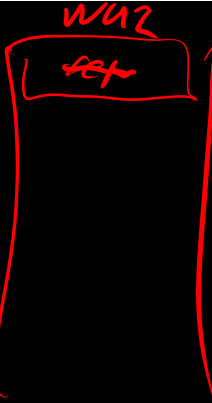

safer  
↓

calloc

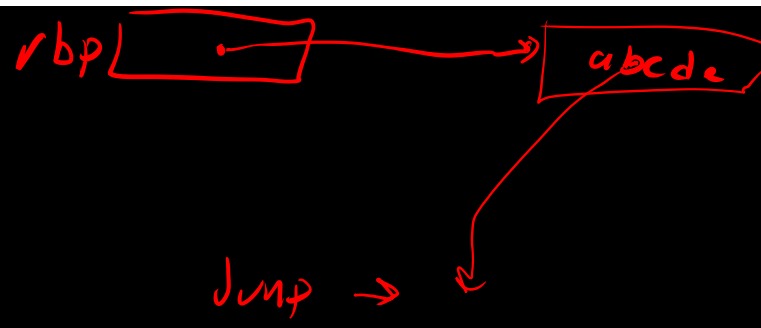

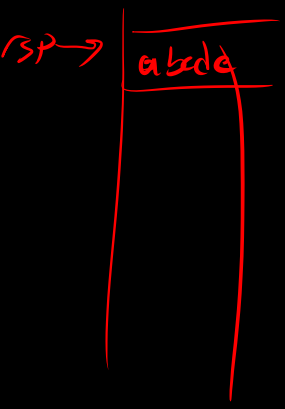

Handwritten signature in red ink, possibly reading "M. P." or similar, located on the left side of the black horizontal band.

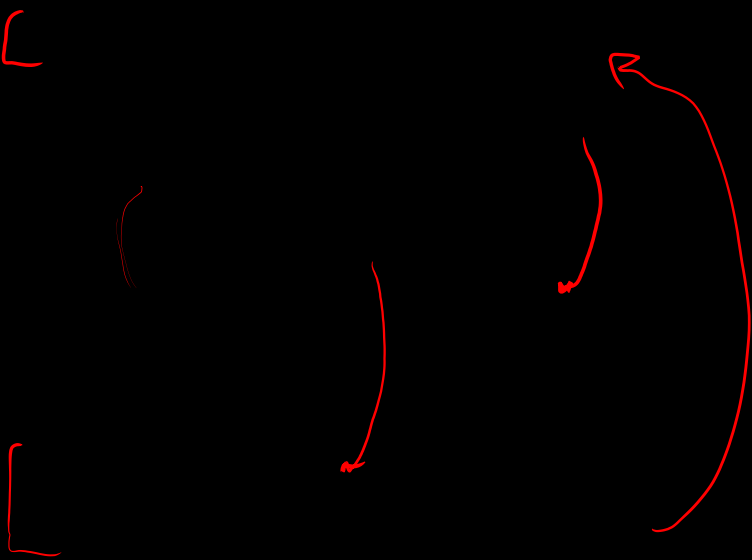

lea

→

→

loop :

```
do {  
    y += 1  
    if (!(x > 1)) {  
        x >>= 1  
    } else {  
        x *= 2  
        x += 1  
    }  
} while (x > 1)
```
