

Student Matching Form

Student Name: _____

Please list the faculty you would most like to work with on research, and return this form to Ginny Hilton (CS front office) by the announced deadline.

Please list at least four faculty members, and rank them in your order of preference (on a scale of 10=highest to 1=lowest; in case of ties you may give multiple faculty the same rank). Also feel free to indicate anything else that may be relevant to the matching process (e.g., whether you are already actively working with some professor on research, etc.)

Note that it is certainly possible to switch advisors later on; this matching process is primarily designed to insure that students do not miss out on getting started on research ASAP.
